Author's Declaration of Originality

Author(s): _____

Paper title: _____

We/I hereby certify:

- that the paper is original and result of our/my research in full, does not contain earlier published sections, and as such does not infringe upon anyone's copyright nor violate any proprietary rights;
- that we/I take full responsibility for the conducted research, data analysis and interpretation, and conclusion;
- the used bibliographical references are clearly stated in the paper itself and in the list of references;
- if ideas, graphs images or quotations by other authors are used, the source is precisely stated, and the authorship fully acknowledged in accordance with the standard referencing practices;
- if sections of texts written by other authors are used to a greater extent, we/I confirm that we/I have obtained the permission of the copyright owner(s) to include them in our/my paper;
- this paper (or any section thereof) has not been published and will not be sent for publishing to another journal or publication prior to receiving notification whether the paper will be published in the International Journal of Strategic Management and Decision Support Systems in Strategic Management;
- **this manuscript's intellectual content, arguments, and findings have been developed by the author(s);**
- **that AI tools and/or Large Language Models have not been used to generate the intellectual content, arguments, findings, or conclusions of this manuscript. Any use of AI tools was limited to assistance with language editing, and has been disclosed in the Acknowledgments;**
- this research has been conducted in accordance with ethical standards and principles, and, where applicable, that all necessary ethical approvals have been obtained prior to conducting the research;
- that there is no conflict of interest related to this manuscript, or that any potential conflict of interest has been clearly disclosed within the manuscript;
- that all listed authors have made a substantive contribution to the research, writing, or revision of this manuscript, and that no individual who qualifies as an author has been omitted from the author list;
